

# DOGGAZO

is happy to make custom harnesses.

We need the following measurements.

In addition we would like to know the breed of the dog and approx. weight. Please note measure carefully, custom harnesses are not returnable.

## Fill in measurements

- ① Chest - Circumference  
Measure behind arms,  
around chest to top of the back

- ② Neck - Circumference  
Measure below their collar

- ③ Spine - Straight Measurement  
Measure from 1-Chest  
to 2- Neck measurement  
Do not include width of tape measure

- ④ Belly - Straight Measurement  
Measure from bottom of 1 - neck  
to bottom of 2 - Chest  
Do not include width of tape measure
